

# BRIDGE to BRIDGE

## NZWSRA Day Licence Info

PLEASE READ THIS PAGE AND THEN FILL IN THE RELEVANT TEST PAGE, THEN FILL IN AND SIGN THE LAST PAGE

1. *Flag colours and meaning*

- (a) Green – Course open
- (b) Yellow – Caution, there may be a skier/boat or obstacle in the water in front of you
- (c) Red – Race stopped, stop immediately
- (d) Orange – The orange flag in your boat should be waved from waterline to waterline should you need immediate assistance (It should NOT be used in case of a breakdown). If you see another competitor waving their flag you should stop and render assistance.

2. *Spacing between competitors*

- (a) At the start of the race – 10m
- (b) When passing another stationary boat or skier – 10m
- (c) When racing next to another competitor – 5m
- (d) When following another competitor – 100m
- (e) When crossing behind another competitor – 20m

3. *Fallen skier*

- (a) Reduce speed to idle, check there is no one behind you, do a tight turn and travel back up the rope to your skier, NO FAST OR SWEEPING TURNS
- (b) Raise your orange flag if your skier is in the water
- (c) If someone in your crew requires urgent assistance, wave your orange flag from side to side
- (d) If you see another competitor waving their orange flag from side to side you MUST render assistance

4. *Driver and observer conduct in the boat*

- (a) Driver must face forward at all times
- (b) Observer must face backward to observe the skier at all times
- (c) Driver and observers must stay in their seats and feet must be in contact with the floor at all times

5. *Cut out switch*

- (a) Must be attached to driver at all times when racing
- (b) Must cut the engine in the event of driver ejection from the boat

6. *Safety equipment*

- (a) All members of the crew (driver, observer and skier) must be wearing life jackets
- (b) If your team will be travelling in excess of 35mph all members of the crew must also be wearing helmets or protective head gear
